What are we about

At Holy Trinity Wallington our desire is to be:

A growing family where God transforms lives through Jesus

How? God transforms people as they meet Jesus in His word the Bible by the power of his Spirit. We're therefore committed to helping people understand the Bible so they meet Jesus .

So what? The journey of transformation has steps on it that drive all we do as a church:

1. **Engaging** with people in our communities
2. **Explaining** the good news of Jesus to them
3. **Establishing** Christians in their faith
4. **Equipping** Christians to serve Jesus
5. **Exporting** people to serve Jesus across the world

And all of this happens through **Enabling** - buildings, staff, and people (the church family) who are.

prayerfully committed & committed to prayer

What is your family like? We are a friendly growing family made up of all ages, backgrounds, nationalities and stages of life. People come from Wallington, Beddington and the surrounding area. We love to welcome people to help them find out more and feel part of our family.
