

Post 19th July Church Services at Holy Trinity Church Wallington

We want to continue our Church worshipping life whilst keeping one another safe. We pray that we will be wise and love one another whilst ensuring everyone stays safe as restrictions are lifted. Here are our guidelines for worshipping together:

- Please book a free ticket to come along to the service to help us comply with Test and Trace.
- Everyone is encouraged to wear a mask when entering or leaving the building or when singing.
- Please feel welcome to sit wherever you feel comfortable.
- Please be sensitive to the needs of other members of the congregation who may still want more space around them.

We look forward to seeing you!
